

“Four of my friends have died this year and others are in jail. If it wasn't for my mom and YATC, I'd be with them.”

– Class of 2008 YATC Graduate

Training and educating at-risk youth in basic automotive repair skills, academic remediation, job readiness and life management skills, the Youth Automotive Training Center (YATC) in Deerfield Beach was founded by Jim Moran in 1984 with the goal of preparing young adults who are at a disadvantage in their lives to become self-sufficient, productive, law-abiding citizens.
